

## Office of Land and Emergency Management (OLEM) 2023 Summer Pathways Intern Program

OLEM provides policy, guidance, direction, oversight, and funding for the Agency's hazardous waste management, underground storage tanks, Brownfields, and accidental oil and chemical release programs. We administer the Agency's Superfund program, and encourage innovative technologies to address resources management and contaminated soil and groundwater.

We are seeking student interns in Washington, DC\*

Applications open **Monday, February 6, 2023**

Vacancies will be posted on [www.usajobs.gov](http://www.usajobs.gov)
